

Labs21 2006 Annual Conference

Client Registration Request

Henry B. Gonzalez Convention Center
San Antonio, Texas
October 17-19, 2006

To increase awareness of the Labs21 program and its relevance to lab owners and users, the International Institute for Sustainable Laboratories (I²SL) encourages architects, engineers, manufacturers of laboratories and lab equipment, and others within the Labs21 community to invite their clients—owners, administrators, and/or users of laboratories—to the Labs21 2006 Annual Conference. I²SL is pleased to offer one free registration to new clients brought to Labs21 through this opportunity.

To assist I²SL in coordinating the free registration, we ask that you please provide the following information. After receiving and reviewing your client registration information, a Labs21 representative will contact you.

Your Information

Organization: _____

Primary Contact: _____

Address 1: _____

Address 2: _____
